FYI - she didn't answer concerning the area.
Cleaning once a month???
I am afraid it would not be easy…..
If so, isn't it better to ask for a hotel room? I am afraid that we will be squeezed and disappointed

We have been using this location in Kendall Square for years with other distinguished couples and all have been quite happy with their accommodations. The apartment is stocked with quality dishware and linens. Cleaning services are provided once a month. You are free to hire someone more regularly at your own expense. Please let me know if you have any other questions.
